SIN 760-1 BOOKS/PAMPHLETS and SIN 760-2 PERIODICALS/SUBSCRIPTION SERVICES

Order Note and Services Covered: SIN 760-1 Includes books: geography, medical, technical and children's, dictionaries, encyclopedias, almanacs, atlases, globes, maps, instructional pamphlets, internet desk references and thesauruses. SIN 760-2 Includes tax, reporting and aviation periodicals, law books, credit reference publications, medical, business, technical standards/specification databases. Basch Subscriptions, Inc. can order any foreign or domestic title, in any subject category that is available from publishers to subscription agencies. We can order titles that are available in any format established by the publisher including print, CD-ROM, diskette, videotape and online journals. We order the material directly from domestic and foreign publishers, who ship the materials directly to the client. We prepay publishers and handle all correspondence concerning new and renewal orders, claims, cancellations, address changes, quantity changes, money adjustments, subscription period changes, and provide other subscription-related services. All clients have access to our web-based system, B.O.S.S., to place orders and claims and to view information pertaining to their orders, titles, publishers and prices. Prices may vary 5 to 7% (maximum) at time of order if we do not have the current firm price from the publisher, or if the publisher has not yet established the firm price for the year. Foreign publications may be subject to currency fluctuations and currency re-evaluations up to 7%.

We also offer the Shelf-Ready Consolidation Service, where we receive a client's materials from the publisher, log in receipt of each issue/item, repackage, and reship the issues to the client by their method of choice. The client pays exact shipping costs.

Because publisher offerings and journal formats change constantly, we ask that you contact our Government Sales Representative, Janice McIntyre, jmcintyre@basch.com, (703) 787-9810, for a customized quotation for the exact purchase price.

SIN 760-3 EDITORIAL, PUBLISHING AND LIBRARY MEDIA SERVICES

SIN 760-1 BOOKS/PAMPHLETS and 760-2 PERIODICALS/SUBSCRIPTION SERVICES

- 1. Service Fee** **-10% to 5%**
Basch Subscriptions, Inc. policy is to pass through to our customers the price of the subscription as established by the publisher. The customer is charged the lowest publisher price available for which they qualify (i.e., library rate; hospital rate; individual rate, etc.). The price of the subscription includes the Net Publisher Policy surcharge when the publisher does not include a subscription agency discount. We assess a service fee or discount within the negotiated range on the order total to cover our cost of handling the order.
- 2. Guaranteed Rate Program** **5% for domestic titles**
7% for foreign titles
Firm-fixed prices are offered to the client. We Charge the firm price established by the publisher. If we do not have a current firm price from the publisher, we estimate the firm price using the inflation factors negotiated for domestic and foreign titles.
- 3. Shelf-Ready Consolidation Service** **\$1.35 per issue per year plus**
\$.50/processing option
With this optional service, Basch Subscriptions receives materials directly from publishers, checks each item into our automated system, performs technical processing options, claims, and reships shelf-ready issues to them, on a schedule of their choice. The customer pays the exact cost of shipping. Processing options include attaching routing slips, security labels, date and property stamps, and special packaging or labeling requirements.
